Dear Scott,

I wanted to take the time to thank you for the value you brought to our company in helping us think through improvements we could make to our workflow in the way of estimating and accounting.

We were so pleased to have you in our office spending the time "in the trenches" with us working on estimating, budget generation, and cost to complete worksheets.

Your knowledge as a construction professional and a former company owner was invaluable to us and we look forward to working with you in the future.

Please do not hesitate to share my name with anyone who is considering working with SJ Construction Consulting, LLC. I'm happy to speak with them.

Sincerely,
